WHO WE ARE

Established in 2018, Shalom Peace Engineering & Consultancy is a 100% Black-Owned engineering company based in Emalahleni. We bring comprehensive engineering layouts, EPCM oversight and heavy industrial services together in one engineering-led approach — from the first layout through to project oversight.

OUR CAPABILITIES

/01 Engineering Layouts

Comprehensive engineering layouts that bring clarity, precision and practical direction to industrial projects.

/02 EPCM Oversight

Engineering, procurement and construction management oversight, connecting the moving parts of your project.

/03 Heavy Industrial Services

Engineering support for demanding industrial environments, with a focus on practical, fit-for-purpose solutions.
